Dear Mr Sreenivasa Iyengar,

I enclose the batta bill and statement of services of K. Subbiah, 2nd Detective Inspector of the Kolar Gold Fields, which were not forwarded by the despatching clerk with this office letter No 3003/ 333 dated 1st March 1901., through oversight.

As explained in the letter in question, K. Subbiah's appointment was first discussed orally. Mr Carr then wrote D.O. dated 2nd November 1900, intimating Subbiah's willingness to accept 2nd Detective Inspector's post and enclosing Mr Dobbs' D.O., consenting to spare him for my perusal and return. I sent D. O. reply dated 5th November 1900 suggesting that his services should be applied for three years. Then Mr Carr wrote an offial letter No Camp 761 dated 8th December /00 (received 17th December /00) that Subbiah was relieved of his appointment in Coorg on the 8th November and reported himself for duty at Kolar on the 20th idem and that sanction may be obtained for the loan of his services for three years.

In reply his attention was drawn to sections 411-429 of the Mysore Service Regulations with a request that a formal application may be made giving the information required. (Vide letter

No 2145 /1113 dated 20th December /oo) .He supplied the informa-
tion with his letter No 3115/ 2420 dated 6th February 1901. The
office draft was received by me on circuit and passed on 21st
February 1901.

All the papers are enclosed for perusal and kind return
when done with.

Sir,

I am desired to forward an extract of letter No. 3003/333, dated 1st March 1901, from the Inspector General of Police in Mysore, and to request that under the circumstances therein explained, the Honorable the Resident and Chief Commissioner of Coorg may be kindly moved to accord formal sanction to the loan of the services of Inspector K. Subbiah of the Coorg Police for a period of three years for employment as 2nd Detective Inspector on the Kolar Gold Fields on Rs.100+20 with effect from 12th November 1900.

2. A statement of Subbiah's service is also herewith forwarded together with a D.O. letter dated the 12th Instant from the Inspector General of Police, showing how the transfer was brought about. services and that his action was opposed nc only to the provisions of the British Civil Service Regulations (Chapter XXXV) and of the Mysore Service Regulations (Articles 411 to 418), but also to the standing orders on the subject of direct correspondence.

in a very awkward position.
Hence the additional information I have obtained and the new para I have added. The Detective Establishment is maintained entirely in the private interests of the Gold Mining Companies who pay just enough to cover its cost and incidental miscellaneous charges (Vide order of 31st August 1900 put up) If, as I am afraid, our request re Waiver of contribution is refused, the Inspector General should be asked to call upon Subbiah to pay it or to see that this charge is met from one of the sanctioned items, or that General Savings from the Rs 12000 accrue from which it could be paid.

(Original initialled by Secy)

14/3/01

Mr. Greig explained to me that we had waived contribution - Mr Dobbs I suppose agreed with us as I may say contributed to the complaints.

If they pay could the cost the contribution charges also a difficulty with the Mining companies - we should not be in a position for any special favours or remission

I don't understand this reasoning.
